Corrigendum to eNIT No. RCWB/ND/03 of 2023-24

Due to some technical issue in the said eNIT vide Tender ID No.2024_PWD_666244_1 it has been noticed that summation of total items not showing in the attached BoQ.

Since, bid submission start date has already been passed, there is no way to make corrigendum in BoQ. So it has been decided by the Tender Inviting Committee that at the time of opening of financial bid, summation in BoQ would be done manually accordingly.
